Dual Zone Under Counter Wine Fridge

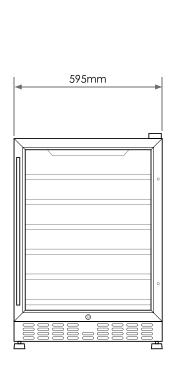

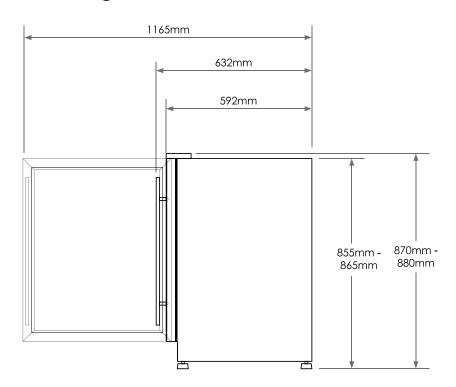

Features & Benefits:

Warranty Period	3 Year Manufacturer Warranty
Active Carbon Filter with Triple Ventilation System	Helps to encourage air flow and improve quality of air, eliminating odours within the unit to help preserve the natural taste of the wine.
UV Coated Glass Door	Helps to provide superior insualtion and reduce harmful UV rays which can alter the natural taste of wine
Locks as Standard	Provides added security to the contents of the cabinet. Two keys supplied as standard
Six Wood Shelves	Six telescopic beech wood shelves which are removable and allow easy access and help reduce vibrations within the cabinet
LED Internal Light	UV free dimmed blue LED lighting which allows sufficient visibility within the unit on demand whilst not damaging the quality of wine
Anti-Vibration System	Shock resistant shelving and adjustable feet to minimise vibrations
Digital Temperature Display	Easy to use control which helps to provide maximum and most simple control over temperature within the unit
Dual-zone cooling	Provides two fully controllable temperature zones. This provides the option of storing and serving different wines at two different temperatures which is ideal as different types of wine are recommended for serving at different temperatures. The upper zone can be set between the temperatures of 5 deg C to 12 deg C and the lower zone can be set between 12 deg C to 18 deg C
